# BH EIGHTZ BANGKOK

BANGKOK'S HIGHEST THAI RESTAURANT IN TOWN

## *Journey of Thai Culinary*

**"WE HAVE ELEVATED AUTHENTIC THAI CUISINE TO A NEW LEVEL"**

These days, Thai street food and street vendors are known throughout the world. Age-old recipes passed down through generations are still hawked all over Bangkok. It is often said that the best food in Thailand is found on the street; however, many visitors here don't enjoy the hot and basic conditions in which the food is served, surrounded by traffic, noise, and pollution.

Here at Bangkok Heightz, we have both literally and figuratively elevated Authentic Thai Cuisine to a new level. We offer all of Thailand's best dishes, stay true to original recipes, yet add a few new twists, and serve it up high above the heat and crowds in an elegant and refined environment with fabulous city panoramas to boot.

While Bangkok boasts many sky dining restaurants, few of them are serving up traditional real Thai Cuisine, and Bangkok Heightz welcomes you to a culinary experience like no other: Authentic Thai Cuisine in a boutique lifestyle setting. Additionally, Thai-twisted cocktails using local ingredients and flavors are paired up with the menu selections, making it the perfect dining experience in an unbeatable location.
